Walking Your Dog Off-Leash

Our 2-hour daybreak walk in Central Park is central to what we do. Most of our dogs walk off-leash and have the time of their lives. However, we do not walk any dog off-leash without your permission. Even then, we do not walk any dog off-leash until, in our judgment, he or she can be trusted to come. To make this judgment, we take into account the breed, temperament, age, any training, and the status of our bonding process. There is, however, always a risk. Please check one of the following.

Never walk my dog off-leash.

Only walk my dog off-leash after careful judgment.

Only walk my dog off-leash after consultation with me.

Walk my dog off-leash anytime.
